Sunbonnet Sue: Irish Sue Pattern Extension
Upgrade your basic 8" Sue

Hint: Trace your hat and shoe pattern pieces onto fusible and fuse to your wools.

Hat

Use the photo for correct placement of the hat pieces. Start with the hat brim and place the top hat piece over the brim, covering most of it. Next, place the hat band on top of the hat, toward the lower edge. The buckle goes toward the front of the hat band. Place the hat side piece on top of the brim, covering just a little bit of the hat band. The layering of the four pieces is key to the dimensionality of the hat. Stitch all the pieces with a Blanket Stitch, except for the buckle, which I used a simple Back Stitch to secure in place.

Shoes

The shoes are placed just a little bit apart from one another to show movement. Position the shoes with the top of the shoe just a little bit underneath Sue's dress. Blanket Stitch the shoes.

4-Leaf Clover

Position these four petals so they are touching each other at the center. I used a small Blanket Stitch around the edges and a contrasting green thread with a couple of Straight Stitches in the center. Stem Stitch the 4-Leaf Clover stem.
